बैठक में लिए गए निर्णय

The importance of Pharmacovigilance was discussed among the members.

ADR - monitoring form (Annexure 5) was distributed among the members.

They were told to report any adverse effect observed during

treatment which is not mentioned in text book, to department of

Pharmacology; so that it should be sent to ADR monitoring centre

for recorded. Members also suggested for opening of ADR monitoring

centre in department of Pharmacology S.K.M.C., Muramba in future.

Handwritten signatures and dates at the bottom of the page, including '13/11/15' and '9/10/17'.
