

ANSWER FOR RTI LETTER NO 1089 /15 DAED 5/5 2015

QUES NO	QUES	ANSWER	REMARK
1	Please intimate the regulation of MCI regarding passing criteria in MBBS course from a college duly recognised by MCI	Passing MBBS course is in two steps for each faculty . (a) sent up examination (b) university examination	There are different criteria for sent up exam in different medical colleges
2	If a candidate is declared pass by the MCI recognised college .whether MCI can stop the NOC on the grounds that the candidate had not secured minimum pass marks in a particular subject	College does not give result for MBBS course. Only the university concern is responsible for declaring results of any student	MCI has full authority for granting /objecting NOC .
3	If so , details of the cases ,where the NOC by your college /MCI was not granted in such cases	No such case is upto now in the view of college administration	
4	Details of cases where your college /MCI had granted NOC in such cases ,either by examining the matter on merit at their own level or on the directs of the Hon'ble court .	No such case is in view of administration.
