GREY  
MATTER

NATIONAL QUIZ

*Dr. Anand*  
*9/16*

Dear Sir / Madam,

**SUBJECT: *Final invite*** to participate in the All India Medical Quiz  
**"GREY MATTER - DAMS National Quiz"**, SEASON - 5 (2016) organized by  
DELHI ACADEMY OF MEDICAL SCIENCES PVT. LTD.

Greetings!

After the grand success of *GREY MATTER* - DAMS NATIONAL QUIZ, SEASON - 4, it is time that we congratulate all the teams who made to the finals and all those who could not, but participated in the true spirit of contest.

We would further like to share with you that team from North Zone represented by AIIMS, NEW DELHI, have won the Season - 4 title for this prestigious quiz again for the fourth time in a row.

*Grey Matter* is an initiative of DAMS INDIA PVT Ltd., one of the leading PG coaching in India. It is actively working in the area of medical science education through innovative means.

The project is intended to find and honor the best medical brains in the country. The theme for the last season was "Medicine is Ultimate", and it was a great theme to work on and same was thoroughly enjoyed by all the participants. We sincerely hope that we were able to justify our theme with all participants learning at the end of the quiz.

The theme for this year is "**Quizzing, Learning, Winning**" and we are sure that participating students are going to enjoy the same.

This project is being implemented nationwide in 4 zones all over India i.e: EAST; WEST; NORTH; SOUTH. Around 400 medical colleges all over India will be participating in the quiz. However we would make sure that anyone who has performed well at any level of the quiz will go back home with great prizes but only one team will emerge as the winner of the *Grand Prize* of Rs. 50,000/-(Rs. Fifty thousand only).

We are pleased to share with you that during last 17 YEARS of our existence we have set a bench mark in medical studies. We have transformed the lives of several medical students by the most effective and competent coaching regime in the country. We have been doing our bit of contribution in medicine by providing proper guidance to young doctors in transforming their dreams into realities. The fact that we have been producing toppers year after year has ensured us of an outreach to countless medical students all over India.

In continuation with aforesaid initiative we are pleased to share that we are going to organize the SEASON -5(2016) of this National quiz to seek and facilitate young talented medical brains which shall further consolidate their learning through such ventures.

It is going to provide an opportunity to medical students to enrich themselves by our experiences and further help them to explore the hidden talent in them.
