Sub:- First year MBBS – Break of study – Clarification- reg.

Madam,

I am to refer to your letter No.VC/56/Acad./MBBS/2000 dated 11th December, 2020 on the subject cited above.

- It is to clarify that if a student fails both in Main and supplementary examinations in the first year MBBS, he/she is not to be allowed to attend second Phase MBBS classes and should reappear at next university examination.
- It is further to state that the GMER, 2019 (Amendment) is an addendum to the Graduate Medical Education Regulations, 1997. Hence, the passing of first professional examination is essential before proceeding to Phase II (second year MBBS) training.

Yours faithfully,

Vats

(Dr. R.K.Vats)
Secretary
